Right of Cancellation

You have the right to cancel this contract within fourteen days without giving any reason.

The cancellation period is fourteen days from the day on which you or a third party designated by you, who is not the carrier, takes possession of the goods or, in the case of a single order for several goods that are delivered separately, the last of the goods.

To exercise your right of cancellation, you must inform us

Email: office@watersports-unlimited.com

of your decision to cancel this contract by means of a clear statement (e.g. a letter sent by post or an email).

You may use the model cancellation form provided below, but this is not mandatory.

To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right of cancellation before the cancellation period has expired.

Effects of Cancellation

If you cancel this contract, we shall reimburse to you all payments received from you, including the costs of delivery (with the exception of any additional costs resulting from your choice of a type of delivery other than the least expensive type of standard delivery offered by us), without undue delay and no later than fourteen days from the day on which we are informed about your decision to cancel this contract.

We will make the reimbursement using the same means of payment as you used for the original transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement.

We may withhold reimbursement until we have received the goods back or until you have provided evidence that you have returned the goods, whichever is the earlier.

You must return or hand over the goods to

without undue delay and in any event no later than fourteen days from the day on which you inform us of your cancellation of this contract.

The deadline is met if you send the goods before the fourteen-day period has expired.

You shall bear the direct costs of returning the goods.

For goods which, due to their nature, cannot normally be returned by post, in particular HYBRID boards, you shall also bear the direct costs of returning the goods. **The costs of returning such goods are estimated at a maximum of approximately EUR 400.00.**

You are only liable for any diminished value of the goods resulting from handling other than what is necessary to establish the nature, characteristics and functioning of the goods.
